## UNSURPASSED COVERAGE OF LAGUNA BEACH

**Laguna Drug Strikes Deal With CVS**

CVS announced Wednesday that it has struck a deal to purchase the Laguna Beach-based independent pharmacy chain CVS Health. The deal, which is subject to regulatory approval, would see CVS acquire the Laguna Beach-based pharmacy chain CVS Health. The deal is expected to close in the second half of 2016. The acquisition would give CVS a presence in the Laguna Beach market, which is a key market for the company. The deal is expected to create jobs in the area. The acquisition is expected to be completed by the end of 2016. The deal is expected to be completed by the end of 2016. The deal is expected to be completed by the end of 2016.

**Hidden Treasures Up for Grabs**

Local residents are being encouraged to participate in a community cleanup project. The project is aimed at cleaning up the local environment and improving the quality of life for residents. The project is being organized by the local government and is open to all residents. The project is being organized by the local government and is open to all residents. The project is being organized by the local government and is open to all residents.

**Ancient Messenger Receives a Modern Makeover**

The Laguna Beach-based organization is launching a new initiative to support local artists. The initiative is aimed at providing artists with the resources and support they need to succeed. The initiative is being organized by the local government and is open to all artists. The initiative is being organized by the local government and is open to all artists. The initiative is being organized by the local government and is open to all artists.

**PRE-PRESS GUIDELINES:** Laguna Beach Independent is a Macintosh-format Computer-to-Plate (CTP) environment, and Adobe InDesign is the primary page layout program. Print-ready PDF and InDesign documents are the preferred material formats. All files will pass through a preflight operation to confirm that all elements are present and correct. If there are problems, we will contact you and work to resolve them (with applicable charges). To minimize problems, please read and follow the guidelines below.

**DIGITAL FILE REQUIREMENTS:** We accept the following digital file formats: PDF, TIFF, or JPEG images. High-resolution files of at least 180 dpi are required. Please package or collect all support files including fonts. Convert all PMS spot colors used in any application to CMYK.

**IMAGES:** All images must be submitted (grayscale or CMYK) as native Photoshop PSD, EPS, JPEG, or TIFF at 180 dpi. Images supplied at lower resolution will result in an inferior print quality that will not be the publisher's responsibility. Any images supplied as RGB, index, lab or containing color profiles will be converted to CMYK, which may result in an undesirable color shift. We cannot be responsible for files supplied in formats other than CMYK. Scaling, rotating or other image manipulation must be done prior to placement in the page layout program.

**PDF FILES:** Print ready PDF files are acceptable only if they meet size, color and resolution requirements as detailed in the Images section above.

**DELIVERY INFORMATION:** Submitting your ads can be done in any one of three following ways:

1. Mail/Overnight Delivery \*\*
2. Via Our FTP site
3. Email (Not to exceed 5MB in size)

\*\*by mail or overnight delivery, please send your ad (please include a suitable content proof) to Ad Coordinator LBindy 385 Second Street, Laguna Beach, CA 92651. Please check with your

ad coordinator to receive prior approval before sending your ad via email. The ad coordinator will provide you the proper email address. Proofs are still required for electronically submitted ads (see Proof Policy above for requirements). A file (JPG) can also be supplied as a content proof, but must be clearly labeled as such. Firebrand Media LLC maintains an FTP (File Transfer Protocol) site to support advertisers in the quick and easy electronic delivery of digital ad files. FTP is a simple way to transmit large files over the internet. However, content proofs are still required for electronically submitted.

**PROOF POLICY:** Content Proofs \* A content proof is required for all ads. A content proof can be provided as either a hardcopy print or a low-resolution JPEG file. A JPEG content proof file should be clearly labeled "Proof" to differentiate it from the high-resolution ad file. For instructions on creating a JPEG, click here. \* All content proofs must be generated at 100% and include crop marks.

**AD SUBMISSION:** Please send or email materials and direct questions to the following:
